OUR STAMP STORY

At Stamp Brasserie, we strongly believe brunch is the most exciting time to eat. There is a culinary window between breakfast and lunch that offers a dining and social scene that celebrates all things heart-warming and tasty. Brunch is laid back, brunch is fun and brunch offers a lot of options, and Stamp has put its own stamp on the entire experience.

We are no strangers to the brasserie scene being founded by the guys behind Dobar. Stamp Brasserie is the culmination of our years of expertise, passion for the craft and love for hospitality.

Get all your brunch and social needs met at Stamp Brasserie. Where we're big on flavours, champion diversity, and celebrate inclusion. It's now time to put your own stamp on a new brasserie experience and brunch like you've never brunched before.
